

Wellington Statistics Group (WSG) Report 2016

The Wellington Statistics Group has had a pretty quiet year, with the following meetings organised or promoted in 2016.

28 June, Miodrag Lovric (University of Kragujevac, Serbia), "On the resolution of statistical controversies and paradoxes in statistical testing in science". See more about Miodrag's various activities on his website:

<http://www.ekfak.kg.ac.rs/mlovric/>

8 September, Emily Mason and Kylie Maxwell (Social Investment Unit, Wellington), "Changing the world with numbers - being part of a social investment analytics team". Here's a link to Emily and Kylie's presentation:

Further details on various WSG activities and contact details can be found on the NZSA Local Groups web page:

<http://stats.org.nz/events/local-groups>

Financially WSG remains in a healthy position, with a bank account balance of \$681.51 in August 2016.

We are grateful to all the WSG sponsors: Victoria University of Wellington, Statistics New Zealand, the Ministry of Social Development and Statistics Research Associates Ltd.

John Haywood
