

Australian and New Zealand Journal of Statistics Editors' Report to the 2018 AGM

Editorial Team

Editor-in-Chief: James Curran (U. Auckland)

Theory and Methods Editors: Martin Hazelton (Massey U), Michael Martin (ANU), Samuel Müller (U. Sydney)

Applications Editors: Chris Triggs (U. Auckland)

Book Editor: Petra Graham (Macquarie U.)

Technical Editors: Rolf Turner (U. Auckland), Hien Nguyen (La Trobe U.)

1. Overview

Four issues published in 2018 as usual. New section on Statistical Computing starting to receive submissions. Journal impact factor for 2017 is a disappointing 0.385. The Editors hope this will improve as initiatives like the Statistical Computing section bear fruit.

2. Read Discussion Paper

Another initiative has been the introduction of read discussion papers. The inaugural read discussion paper will be presented at the 2018 NZSA Conference.

3. Future Changes to Editorial Team

James Curran has indicated his intention to stand down as Editor-in-Chief in 2019. It is anticipated that Martin Hazelton will take over that role from the middle of the year.
