

Australian and New Zealand Journal of Statistics Non-Editorial Management Report to the 2019 AGM

Team

Matthew Schofield (U. Otago)

Matthew Parry (U. Otago)

1. Compliance with GDPR

As discussed last year, Wiley, the journal's publisher, is subject to the EU General Data Protection Regulation (GDPR). The ANZJS is also subject to the NZ Privacy Act but we have received advice from the NZ Office of Privacy Commissioner that this should not conflict with any obligations under the GDPR. We are looking at adopting policies that have already been put in place by SSA.
