

Webmaster Report – AGM

Email addresses for stats.org.nz

Generic email addresses for the office-bearers have been set up for the various positions associated with the Executive Committee, namely

- President@stats.org.nz
- Secretary@stats.org.nz
- Treasurer@stats.org.nz
- Membership@stats.org.nz
- Newsletter@stats.org.nz
- Education@stats.org.nz
- Conference@stats.org.nz

There is also a general (admin) address: stats@stats.org.nz

The email addresses are being supplied by Freeparking <https://www.freeparking.co.nz/> at a cost of \$136.85/year (inc GST) for 2 years (until November 2021). 15 email addresses are available, so there are spare addresses available if any other positions would like them.

The domain name is supplied by Orcon and comes up for renewal in June 2021, so at that time a decision can be made about switching that to Freeparking as well.

Daniel Gerhard has figured out how to configure the Treasurer's account so that he doesn't need to send emails using the Freeparking webmail.

Website hosting

'Prefer' Digital Solutions who host the website have been taken over by Ackama, who seem to be very professional to deal with <https://www.ackama.com/>

Webmaster position available

I would be happy to hand over the position of Webmaster if anyone is passionate about developing the Website. There could be a period of sharing the position initially.

Catherine McKenzie
